Explore the Waters of the World

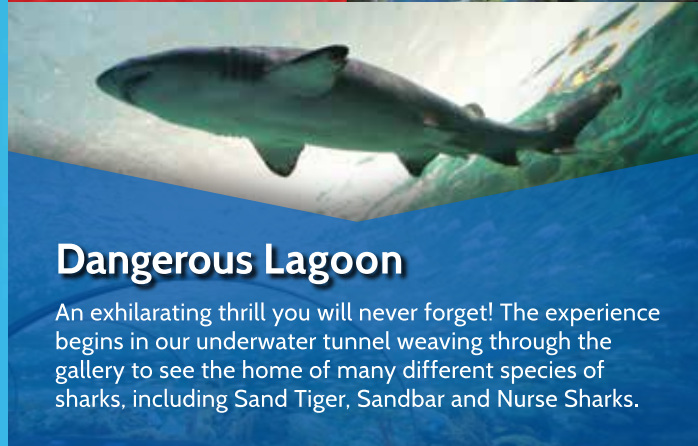

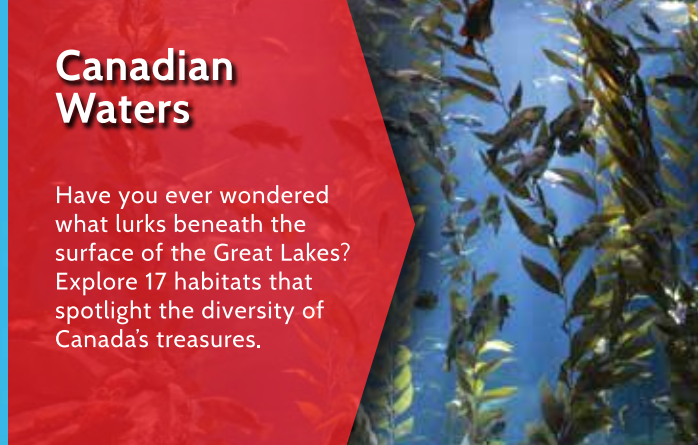

Canadian Waters

Have you ever wondered what lurks beneath the surface of the Great Lakes? Explore 17 habitats that spotlight the diversity of Canada's treasures.

Rainbow Reef

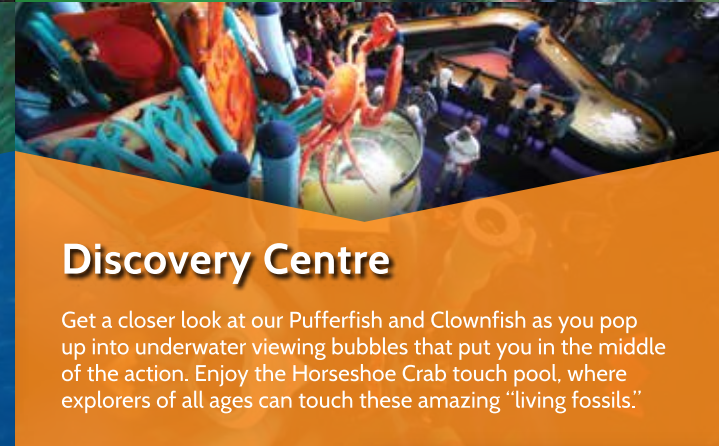

Be swept away to an inviting oasis at Rainbow Reef!

An explosion of colour mesmerizes in this vibrant collection of tropical fish.

Dangerous Lagoon

An exhilarating thrill you will never forget! The experience begins in our underwater tunnel weaving through the gallery to see the home of many different species of sharks, including Sand Tiger, Sandbar and Nurse Sharks.

Discovery Centre

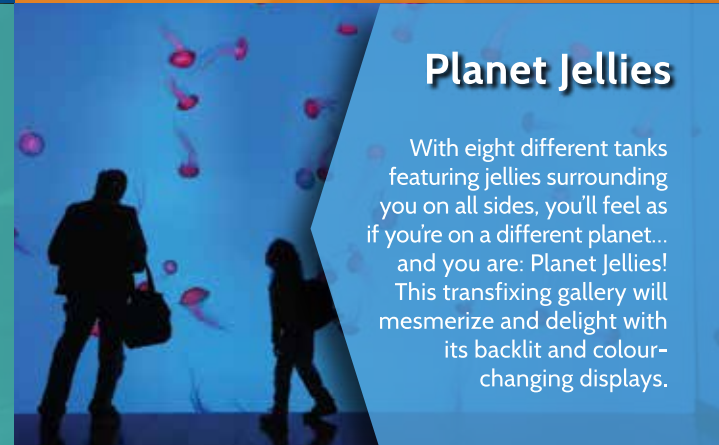

Get a closer look at our Pufferfish and Clownfish as you pop up into underwater viewing bubbles that put you in the middle of the action. Enjoy the Horseshoe Crab touch pool, where explorers of all ages can touch these amazing "living fossils."

Ray Bay

Watch with wonder as the graceful stingrays glide through the water in Ray Bay.

Experience our remarkable live dive shows, which will give you a glimpse into the world of Southern Stingrays and Cownose Rays.

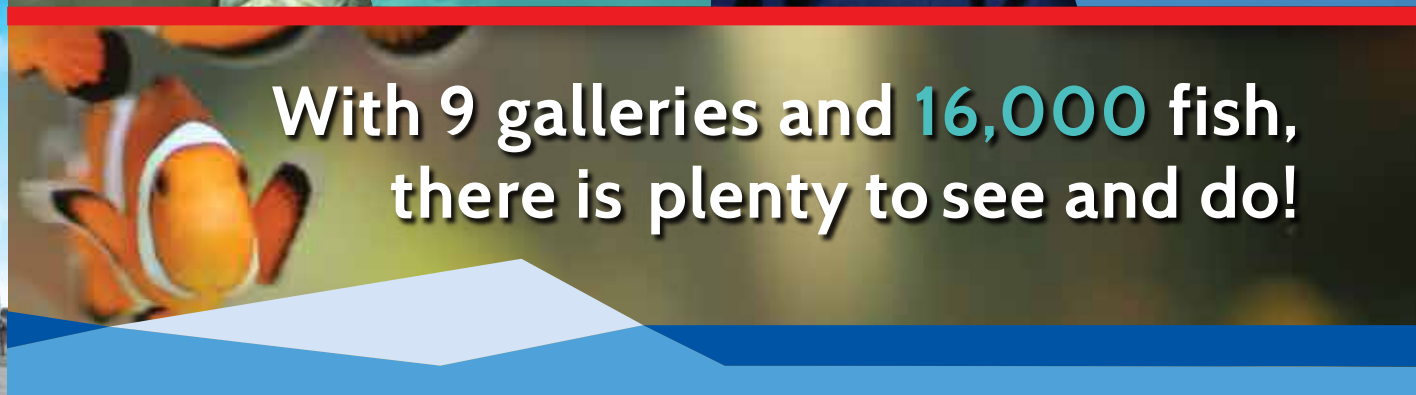

Planet Jellies

With eight different tanks featuring jellies surrounding you on all sides, you'll feel as if you're on a different planet... and you are: Planet Jellies! This transfixed gallery will mesmerize and delight with its backlit and colour-changing displays.
