Canadian Waters

Have you ever wondered what lurks beneath the surface of the Great Lakes? Explore 17 habitats that spotlight the diversity of Canada's treasures.

Rainbow Reef

Be swept away to an inviting oasis at Rainbow Reef! An explosion of colour mesmerizes in this vibrant collection of tropical fish.

Dangerous Lagoon

An exhilarating thrill you will never forget! The experience begins in our underwater tunnel weaving through the gallery to see the home of many different species of sharks.

Discovery Centre

Pop into our underwater viewing bubbles to get a closer look at our Pufferfish and Clownfish and be sure to touch a "living fossil" in the Horseshoe Crab touch pool.

Ray Bay

Watch with wonder as the graceful stingrays glide through the water in Ray Bay. Experience our remarkable live dive shows which will give you a glimpse into their world.

Planet Jellies

With eight different tanks featuring jellies surrounding you on all sides. This transfixed gallery will mesmerize and delight with its backlit and colour-changing displays
