OUR MISSION

Our mission is to preserve the rich maritime traditions and history for which Cape Cod and the Islands are known. We strive to enable audiences of all ages to understand and enjoy our maritime culture through exhibitions, collections, public events, and educational programs. Every year, visitors from the immediate community, around the state, New England, and the world visit us to learn about our dynamic maritime history.

EXHIBITS that present our maritime history in an attractive and relatable way that is engaging for all ages.

PRESERVATION of wooden boats and boat building techniques in our Cook Boat Shop.

HANDS-ON PROGRAMS for adults, children, and families designed to be both entertaining and informative.

YOUTH PROGRAMS that provide children with exciting new maritime experiences in boat building, summer camps, and maritime boot camps.

CATBOAT TOURS on our own catboat SARAH that takes up to 6 guests on a narrated sail around picturesque Lewis Bay.
