Throughout the season, Clay's Park Resort keeps the entertainment going with our themed weekends... from camper to water park guests to group outing attendees, everyone is encouraged to join the fun!

Clay's Park Resort is home to countless company picnics, family reunions, church socials, union picnics and weddings. Whether it's a good old-fashioned American cookout or a formal, catered occasion, Clay's Park Resort can deliver custom solutions that will meet your requests and budget.

Shelters are available for groups of 50 or more. They are yours for the day and include: Charcoal grill, water & electricity, picnic tables, private volleyball net and horseshoes, as well as scheduled access to a softball field.

Family owned and operated since 1948, Clay's Park was the vision and dedicated work of our grandfather, Mr. Otis D. Clay. Plans were developed around Otis's vision to create a complete "Family Fun Center" and the park opened on Memorial Day, 1948.

The popularity of the park has allowed Clay's not only to develop one of the finest RV Resorts in America, but also to expand the facility in several ways. Please take a minute to review all that Clay's Park has to offer in the following pages.

We are dedicated to ensuring your satisfaction and welcome your questions or suggestions. If there is anything we can do to make your visit more pleasant please let us know.
