to smell the flowers in horticultural hotspot Longwood Gardens, sampling sweetness in Hershey's chocolate capital of the world, hitting the outlets in the surrounding counties, or retracing the footsteps of Revolutionary soldiers in Valley Forge National Historical Park, there's no shortage of things to do outside Philadelphia's limits.

SOUNDS OF THE CITY

Philadelphia's music scene is as wide-ranging and all-inclusive as its diverse population, and the best way to experience the energy is at a live music venue.

The Met Philadelphia

Kimmel Center for the Performing Arts

The Fillmore

Newly restored **THE MET PHILADELPHIA** brings spectacle to the North Broad Street corridor with a stunning centerpiece theater that can hold up to 3,500 concertgoers. Gilded lighting, chandeliers and columns bring the theater's neoclassical atmosphere to life, with a two-level balcony and box seats flanking the orchestra. Though the venue was originally built more than 100 years ago, you can expect to see the hottest names on the charts make a stop at the historical complex, from Madonna to Lizzo and Hozier. themetphilly.com

A staple of Philadelphia's Avenue of the Arts, the **KIMMEL CENTER FOR THE PERFORMING ARTS** is the home of the world-renowned Philadelphia Orchestra, which plays upward of 130 concerts annually. It also hosts the diverse Kimmel Center Presents performance series, which brings in top talent across the musical spectrum, as well as a popular live jazz series. **PSST:** Just as impressive as its musical lineup? The stunning 150-foot vaulted glass atrium ceiling. kimmelcenter.org

Dance the night away at **THE FILLMORE**, a historic venue located in a former metal factory in Fishtown. The renovated 25,000-square-foot space offers a cool industrial vibe and top-notch productions in both the 2,500-capacity main hall for touring acts and the 450-capacity Foundry club for up-and-coming local artists. Concrete features, graffiti tags and overhead chandeliers provide a unique atmosphere, and risers in the back of the room make sure nobody misses out. thefillmorephilly.com

The **FRANKLIN MUSIC HALL** occupies the former home of the Electric Factory, which had a rich musical heritage as a launching pad for some of the biggest names in music history, like Jimi Hendrix and The Grateful Dead. The standing-room-only theater on North 7th Street regularly sells out its 2,700 capacity thanks to a variety of national acts covering rap, rock and pop genres. **PSST:** Take in the view from the second-floor balcony, where spectators are able to get a glimpse of the backstage. bowerypresents.com

Discover something completely different at **UNDERGROUND ARTS**, a two-room, 12,000-square-foot incubator for emerging talent. Located in the Spring Arts District, the venue is an arts hub with a mission of cultivating local acts in the main lounge and intimate Black Box space. The eclectic calendar of shows runs the gamut, from '90s grunge to the weekly Square Root night on Tuesdays that spotlights the hottest new R&B, hip hop and alternative artists. undergroundarts.org

Enjoy an evening at **RIVERS CASINO PHILADELPHIA** (formerly SugarHouse Casino) with a high-end steak dinner at Hugo's Frog Bar & Chop House, followed by a rocking performance in the 10,000-square-foot Event Center. Rivers Casino offers a wide variety of slot machines and table games, and a state-of-the-art Sportsbook. Free parking makes this an easy, entertaining and fun night on the town.

PHILADELPHIANS ARE PASSIONATE ABOUT FOOD, as evidenced by the dynamic restaurant scene that continues to blossom in the city. Home to internationally acclaimed restaurants like Zahav, winner of the James Beard Award for Best Restaurant 2019, and award-winning innovative chefs like Michael Solomonov, José Garces, Marc Vetri and Susanna Foo, our diverse restaurants serve everything from classic American and traditional ethnic foods to experimental fusion dishes that wow the palate. Plus, you'll find a number of dining options that are BYOB, meaning you can bring your own libations to enjoy with your meal. Of course, Philadelphia eats aren't strictly gourmet. Home of the cheesesteak and hoagie, the city also boasts countless establishments dishing out comfort food favorites, the memory of which will have you planning a return trip before you've even made it home. Check out one (or three or four) of our many local eateries and taste for yourself.

LATIN FLAVORS

You'll feel like you've landed in the islands without leaving the city at **CUBA LIBRE**, whose decor is modeled after a Havana streetscape, with Mission-style, bright-colored house facades, palm trees and full-size street lamps. The menu reinforces the transportive experience with home-style Cuban cuisine, like a frita burger made with beef and pork chorizo or the classic *lechón asado*, a pulled pork dish with sour orange mojo sauce. After, head over to the bar for a specialty Cuba Libre cocktail. cubalibrerestaurant.com

For Mexican fare with a sophisticated twist, stop by **MISSION TAQUERIA**, a second-floor cantina that serves reinvented Latin staples on indoor picnic tables. The main focus: tacos with house-made tortillas and gourmet fillings, like chicken in mole negro sauce and short-rib asado. Or, sidle up to the poured-concrete bar for a full menu of margaritas with a michelada option. missiontaqueria.com

EUROPEAN VACATION

Start your European culinary tour of Philadelphia in England-inspired **THE DANDELION**, a cozy gastropub

with a charming fireplace, comfy seating and quaint across-the-pond vibe. Expect the classic fish and chips and bangers and mash, but also less-often-found dishes like kedgeree cakes (a centuries-old Indian import of flaked fish and rice) and a family-style roast accompanied by made-from-scratch Yorkshire pudding (available each Sunday). Afternoon tea, complete with petite sandwiches, is served daily. thedandelionpub.com

Francophiles will want to sample *les plats* at **LOUIE LOUIE**, a colorful bistro in University City. Start with a traditional dish like escargot or onion soup gratinée, before sampling an entrée such as Hudson Valley duck breast or trout amandine. louielouie.restaurant

If you're looking for refined Japanese food, **MORIMOTO**—from Iron Chef Masaharu Morimoto—fits the bill. The dramatic interior—a single large dining room with changing colors projected on curved white walls—sets the stage for creative and delightful twists on Japanese staples, like tofu created fresh at your table, and seafood toban yaki cooked and

FREEDOM OF EXPRESSION

Philadelphia is an arts and culture hub, from world-renowned fine art museums and the country's largest public art program to fabulous local art in the city's hotels.

The Logan

Sonesta Hotel Philadelphia

ACCOMMODATIONS

With more than 1,800 original works of art, **THE LOGAN** is like an art museum that lets you sleep over. The hotel's collection is so extensive, a free, self-guided tour of it is provided through a mobile app. As you learn about the different pieces, you'll notice the collection has a Philadelphia focus, from *Philadelphia Elite Silhouettes*—a large chandelier comprising more than 300 hanging portraits of famous Philadelphians—to *Join or Die*, a bronze, bas-relief interpretation of Benjamin Franklin's famous sketch of the same name, to *Crew*, a series of life-size sculptures of rowers paying homage to Boathouse Row. theloganhotel.com

Appropriate for a hotel situated atop, the tallest building in the city, **THE FOUR SEASONS HOTEL PHILADELPHIA AT COMCAST CENTER** invites guests to engage with high-end, one-of-a-kind experiences. It starts with the 60th floor lobby, which features a floral art installation by famed floral artist Jeff Leatham and visual art by Japanese art collective teamLab. The experience continues in the guest rooms, which host an audio-visual art installation by musical

artist Brian Eno. If guests still want more, the hotel's Extraordinary Experience program offers the option of a private, docent-led tour of the Barnes Foundation, followed by dinner at the original Barnes mansion on the Main Line. fourseasons.com/philadelphia

THE HOTEL PALOMAR is a work of art in itself. Located in the former Philadelphia headquarters of the American Institute of Architects, the hotel has preserved the building's original Art Deco details, including tile mosaics and artwork by Philadelphia artists. The property has also added new pieces from local artists and has sought to increase visitors' engagement with the arts by hosting installations, providing postcards designed by local artists and allowing local photographers to take over its Instagram. hotelpalomar-philadelphia.com

The Study at University City

Local artists are on display at the **SONESTA HOTEL PHILADELPHIA** inside and out. On the property's facade is a 22-story-high mural—one of the largest in the city—that's part of the world-renowned Mural Arts Philadelphia program. Inside, a rotating gallery, in partnership with the Center for Emerging Visual Artists, presents paintings by area artists, all of which are available for purchase. And, if you want to end your day with a toast to the arts, try a nightcap at the hotel's Art Bar, where the visual arts inflect everything from the furniture to the cocktails. sonesta.com/philadelphia

THE STUDY AT UNIVERSITY CITY taps into the neighborhood's art community for their guests' viewing pleasure. The hotel's lobby hosts a rotating gallery of art from students and professors from the University of Pennsylvania and Drexel University, as well as from local artists. Also on display is artwork from the University City Arts League, a nonprofit organization dedicated to arts education, as part of their collection of original artwork that you can find throughout the hotel. thestudyatuniversitycity.com
