Can I filter by "Position" instead?

Can the "Link" field be changed to "profile ID" instead?  
I don't need to see long urls here...

Please change to  
MM/DD/YY  
1/15/14—1/31/14

Green check should indicate  
an "active" campaign.  
Red "x" should indicate  
an expired campaign.

Can the "Company" Field show  
the "Profile Name" instead?

How difficult is it to add a function to download this data into an Excel File for quick export?

What happens when the trash can is selected?
