

The Manhattan at Times Square Hotel debuts The “Executive Class” guest rooms

The Executive Class accommodations are featured on the 18th floor and will bring together the perfect balance between design, form and function. This new room type will have a residential feel with a soothing, sophisticated color palette and offer a luxurious sanctum that promotes peace and tranquility with an environment free from intrusion. Museum quality artwork and marble walk-in showers with rainfall shower heads flowing from the ceiling will elevate the standards by which new expectations will be measured.

The following are some of our featured amenities in this new room type:

- 55-inch flat screen televisions.
- Retractable overhead reading lights inset within the headboards to make bedtime reading a pleasure.
- Nespresso machines with a variety of offerings.
- Wireless high-speed Internet access included.
- William Roam bath amenities customized for our Executive Class rooms.
- Grab-and-go breakfast included.
- One Hour Early Check-in and Late Check-out upon request.
- Roman remote controlled window treatments with blackout shades.
- Dedicated elevator to guest room floors.
