

# SAILING POWERBOATING

📍 Harbourfront centre

2015

# Experience a world of boating at the heart of Toronto's waterfront

Harbourfront Centre is a Canadian charity operating the 10 prime acres of Toronto's central waterfront as a free and open public site. We celebrate the multiplicities of cultures that comprise Canada and enliven the city through the creative imaginations of artists from across the country and around the globe.

Harbourfront Centre Sailing & Powerboating provides affordable and accessible boating for all - from beginner to offshore and much more! We also offer a wide selection of sailing and power boating courses, services and training.

We are conveniently located on Queens Quay West, immediately south of the CN Tower and easily accessible from Downtown Toronto by foot, bicycle or car. Public parking and the TTC 509 & 510 Streetcars stop right outside our door.

We are open from 9am to 9pm, 7 days a week throughout the season and open from 9am to 5pm, Monday to Friday throughout the off season.

We can provide a Skipper to sail/drive the boat for you at an additional cost (\$40-\$60 per hour), please inquire with our offices 416-203-3000.

# Instruction

Harbourfront Centre Sailing and Powerboating is an internationally recognized Sail Canada 'Centre of Excellence in Training' Facility, offering practical, on-water experience. **Save Money** with our First Mates Rate Discount on Basic Courses.

## Basic Sailing

**Sail Canada\* Basic Cruising**  
(28 hours) \$645

**(PCOC Optional, \$30 Exam and Textbook)**

On-the-water experience is the best way to build basic boat handling, sail theory and safety techniques. Smaller custom designed keelboats make learning easier and build confidence. That's why we have a 98% success rate. This course is the first level of four graduated Sail Canada\* programs designed to equip you for ocean passages. Course graduates receive internationally recognized certification.

\* Formerly the CYA

**Ask about our new Basic Sailing Graduate \$98 membership!**

## Dinghy Sailing

Note that certain dinghy manoeuvres involve getting wet so bring a change of clothes.

We have an excellent Dinghy fleet at HCSP, which including many 420 Performance Racing Dinghies, Hobie Bravos, Hobie Waves and Laser Picos.

**Sail Canada Basic Dinghy Sailing**  
(18 hours) \$395

After a weekend of basic dinghy sailing, you will receive the CanSail 1 standard certificate and be prepared for CanSail 2 Intermediate Dinghy Sailing.

**Sail Canada Intermediate Dinghy**  
(36 hours) \$695

Completion of CanSail 2 standard with an introduction to CanSail 3 (formerly Bronze Sail) theory, prepares you for Advanced Dinghy Sailing.

**Sail Canada Advanced Dinghy**  
(42 hours) \$995

This two weekend sailing experience introduces spinnaker and trapeze, as well as advanced sailing techniques and racing. The course prepares you to tackle CanSail 3 & 4 (formerly Bronze Sail IV and V standards).

**Ask About our Youth and Adult Dinghy Membership!**

## Beyond The Basics

**Sail Canada Intermediate Cruising**  
**\$1155 (5 days, live-aboard)**

This five-day live-aboard course is designed for the Basic Cruising graduate or sailor with equivalent experience. You will perform controlled sailing manoeuvres, prepare meals aboard and pilot the vessel — as both skipper and crew — into an unfamiliar harbour or anchorage. Upon completion, you will be qualified for the internationally recognized Sail Canada Intermediate Standard, the recommended minimum certification for bareboat chartering.

**Sail Canada Advanced Caribbean Cruising**  
**Pricing varies dependant on location**  
**(7 days, live-aboard)**

This course is for the experienced sailor seeking to upgrade skills and develop extended passage experience, including round the clock sailing in a broad range of weather conditions. You will develop technical and practical knowledge, including navigation and watches, cooking a meal underway and maintaining control of the boat in heavy weather.

### Prerequisites:

- Intermediate Cruising or equivalent experience
- **Sail Canada** Coastal Navigation
- Red Cross or St. John Ambulance Emergency First Aid Certificate
- VHF radio certificate (Restricted Operators Certificate)

## Navigation Courses

**Sail Canada Coastal Navigation**

A comprehensive programme designed to develop navigation skills.

**Module 1:** charts, aids to navigation, and use of navigation instruments, including course plotting. **(19 hours) \$295**

**Module 2:** running fixes, set & drift, and tides and currents. **(19 hours) \$195**

**The full SAIL CANADA Coastal Navigation Standard (Module 1&2) (38hrs) \$475**

**(Sail Canada) Celestial Navigation (38 hours) \$475**

Find your position anywhere on the planet using the sun and the stars. From basic concepts to Sun-Run-Sun and more, plus how to use a Sextant and the Sight Reduction Tables using HO 249.

### Prerequisites:

# Power Boating

Our Instructors provide coaching to all. From first time boaters to seasoned owners looking to improve their confidence and control. We deliver two courses to suit your needs as well as Own Boat Tuition for boat owners who wish to train on their own vessel.

## Intro to Power (1.5 hours, \$79)

This course is designed to educate beginner boaters so you can make educated decisions regarding boat ownership and usage. Though no certificate is issued, the session provides hands-on experience and builds confidence with time aboard and in the driver's seat. This introduction gives an overview to some of the main components covered in the Basic Power Boating syllabus. After an introductory talk on equipment and personal safety, we will head to the boat to familiarize you with the controls and operation. Some confined space turning, docking and slow speed maneuvers will give insight into confident boating.

**Dates:** Saturday morning's 9am - 10.30am or 10.30am-12noon (please view the back of the brochure for dates)

## Sail Canada Basic Power Course (21 hours, \$545)

This two-day course targets building confidence and providing core skills to safe and competent outboard and inboard operation. Focusing primarily on safety, docking, slow and high speed maneuvers, basic navigation, and covering other valuable skills. Students will learn how to plan voyages on Lake Ontario and proficient techniques across a number of other areas. Weekend structure:

### Saturday (9am- 6pm)

- Introduction and safety equipment
- Boat familiarization and operation
- Slow speed – Prop Walk, Figure 8's
- Leaving and docking
- Theory on different types of craft, engines and drives
- High speed S turns, U-turns P-Turns, and stopping
- Anchoring, securing to a buoy, towing
- Confined space turning and recovery

### Sunday (9am–6pm)

- Introduction to navigation
- Practice Saturday's slow speed maneuvers
- Man overboard session
- Boatyard walk to look at hulls and drives
- Coastal Navigation practical passage
- Boat handling under high speed
- Debrief and where to go from here

### Monday Evening (6pm–9pm)

This 3-hour session allows time with the instructor to go over some of the theoretical aspects of the course.

## Own Boat Tuition (\$60–100 per hour)

We can provide a qualified instructor to teach you the ropes on your own sail or power boat. Prices range from \$60 - \$100 per hour, with potential travel costs dependent on the location of your boat from our base here in Toronto.

# Boat Licenses

## Pleasure Craft Operators Card (PCOC) \$49 \$30 for HCSP Students and Members

Government legislation requires that all operators of any power-driven vessel — even a Personal Water Craft (PWC) — obtain a Pleasure Craft Operator Card (PCOC). If you are renting a boat, a 'Rental Boat Safety Checklist' must be completed before embarking.

## Complete an accredited course and carry the card.

Once you have successfully obtained a Canadian Coast Guard accredited Pleasure Craft Operator Card issued by Sail Canada, you must carry it with you at all times while operating a power driven vessel (much like a driver's licence).

## New Competency Regulations:

- All youth born after April 1, 1983, are now required to carry the card.
- As of September 15, 2009, all power driven vessel operators must obtain a Pleasure Craft Operator Card.

## Toronto Harbour License (4 hours, \$129)

To operate any power driven vessel in Toronto Harbour, you are required to have a Harbour License. This course is designed to give you the theoretical knowledge you need to be successful and includes a written and practical test. Previous power boating experience is required.

## VHF - DSC License (6 hours, \$139)

"Victor, Zulu, X-Ray..." Learn to communicate on the VHF marine radio with Digital Selective Calling (DSC) and receive your Restricted Operator's Card (Maritime) - (ROC-M).

## Licensing Package Deal (\$249)

This package includes the Pleasure Craft Operators Card, Toronto Harbour License and VHF – DSC License.

## Caribbean Sailing

Whatever your experience, whatever your chosen destination, we can provide the sailing experience for you. We can be your gateway to a whole new world of on-water adventure. Whether you wish to improve your sailing skills or simply want a relaxing vacation, our professional staff is on hand to assist you.

### Vacation

Sailing from one paradise location to another makes for the best vacation experience. Whether you have your own group or want to join a party, we have options. We can arrange a bareboat charter, or you can join in on a fun boat and sail in a flotilla.

Not only will you enjoy a winter sailing vacation, you'll meet sailors from all around the world. The days are well planned out, with plenty of sailing and social activities. Sail your heart out during the day and then meet up with the rest of the group in an anchorage for an evening of festivities. You can also charter a boat of your own. Sail with our fleet and join the social gatherings we arrange.

### World Destinations

We can arrange a sailing adventure anywhere in the world. Each route will take you on a journey through the famous and the little known treasures of each sailing area. We cater to every taste and ability, all you have to do is choose!

### Sailing Courses

Our Caribbean program grows stronger each year because our professional instructors can provide customized sailing experiences for all levels of experience. Live aboard and earn your CYA certification. Learning is easy when you are having fun!

## Corporate Team Sailing

Take your usual corporate event in a new direction with team sailing, an on-the-water adventure in the heart of the city. Your adventure can be customized to engage colleagues in innovative, fun and unique team-building activities. Simply provide our professional staff with your event objective, and we will create a programme to suit your requirements. We create challenging events by Land, Lake and Street Car to ensure an action packed, outside the box approach for your event. Sailing, Racing, Geo-cache, Treasure Hunts, City Adventures, the list goes on.

If you are looking for an economical solution to boost company morale and team productivity, or maybe you don't have enough time to plan an event yourself and you're looking for fresh ideas for a fun team building activity, then you've come to the right place! Choose from our exciting blueprints below:

### Team Racing Regatta (4–44 participants)

This classic event features a three-race mini regatta. As with all events, each team is briefed on the dos and don'ts of sailing, and then goes on to harness the exhilarating power of nature. They soon learn that communication is everything on the water, just as it is in the office. All positions on a boat are important – each is integral to the team.

### Geo-cache on the Toronto Islands (4–44 participants)

Developed by intrepid adventure seekers, geocaching involves hunting for hidden prizes with high-tech GPS devices. A typical cache contains small trinkets and clues for discovering further caches.

### Urban Fear Factor (Up to 200 participants)

A modern take on an old-school scavenger hunt! It's the most fun you can have with your smartphone and co-workers all year. Complete daring missions, outrageous challenges, and discover your wild and creative side. Explore the city by boat, streetcar and foot, competing in teams while getting to know your colleagues better. From handstands in elevators to kissing live lobsters, busking in front of strangers and standing in front of some of the city's most loved tourist destinations.

### Cruising the Islands (4–44 participants)

If you prefer to cruise, we can set your team sailing on your chosen vessel. Colleagues and clients will enjoy a relaxing sail along Toronto's breathtaking skyline and islands, or participate in sailing the boat under the guidance of our trained instructors. You dictate the pace.

Please note that no prior boating experience is necessary to participate in our events. Participants are with an instructor at all times when on the water. For parties of over 44 participants and for further information, please contact Emma Wright at [ewright@harbourfrontcentre.com](mailto:ewright@harbourfrontcentre.com) or call 416-203-3000.

**Leadership – Communication – Teamwork – Confidence – Challenge**

## Harbourfront Centre Sailing Camps

A great time to learn to sail is when you're young and ready to take on the world. Our junior sailing camps offer a fun and safe environment for all ages and abilities.

### WET FEET (Ages 6–8 yrs)

Designed for younger sailors to familiarize themselves with safety and sailing, they will develop a solid foundation of skills. Campers will also participate in sail related games and activities in this fun and safe approach to sailing.

**Prerequisites:** No experience required. Just be ready to have fun!

**Certificate:** HCSP Wet Feet Certificate.

### HARBOUR EXPLORERS (Ages 6–9 yrs)

This programme introduces our young campers to the wonderful world of sailing and cruising, all the while exploring the splendor of Toronto Harbour and Islands aboard one of the many keelboats in our fleet, including a 29-foot sailboat.

**Prerequisites:** No experience required.

**Certificate:** HCSP Harbour Explorers Certificate.

### INTRO TO CRUISING (Ages 10–15 yrs)

Designed for aspiring sailors, this introduction to the exciting world of sailing is geared toward older campers. Campers will be able to safely cruise around the Toronto Harbour, master boat controls and try out racing, and also let their imagination run wild with activities like geocache treasure hunts.

**Prerequisites:** No experience required.

**Certificate:** Harbourfront Centre Sailing and Powerboating Intro to Cruising Completion Certificate

### CANSail 1 or 2 (Ages 9–12 yrs and 13–15 yrs)

This 2 week course will navigate campers in Toronto's Inner Harbour learning about water and boat safety, boat control, knots, rigging, capsizing and other topics relevant to developing young sailors. Campers will work towards earning nationally recognized certificates for each level.

**Prerequisites:** Wet Feet certification is a recommendation, but not mandatory. Suitable for first-time sailors.

**Certificate:** Successful candidates will receive a recognized CANSail certificate.

### CANSail 3 or 4 (Ages 11–15 yrs)

This comprehensive 4 week course focuses on advanced sail theory and sailing skills. Participants will be required to sail in a variety of weather conditions and prove a high standard of sailing to pass.

**Prerequisites:** Must have CANSail 1&2 certification prior to enrolling in this program.

**Certificate:** Successful candidates will receive a recognized CANSail 3 or 4 certificates.

Please note that all participants in our marine programmes are provided with a Personal Floatation Device (PFD) and proper use is strictly enforced.
