Rave Reviews:

 **facebook** Nothing like a cruise on the Queen... Oh you're so good to us we can't wait until next summer... Loved all my trips aboard with family... The only way I travel to Martha's Vineyard is aboard the Island Queen. Always enjoyable!

 **tripadvisor** We visit Martha's Vineyard several times a year and the Island Queen is the best and easiest way to get there. The boat is always on time and clean. The food area is clean, food is fresh and reasonably priced. The crew is friendly and helpful. Sitting on the open upper deck is such a beautiful way to spend the short trip to the Vineyard. Let the breeze blow and catch some sun... A truly wonderful and relaxing experience.

 **yelp** I took the Island Queen to Oak Bluffs at the beginning of my vacation to Martha's Vineyard, and it was a great way to start the trip. The Island Queen was on time, clean, and the staff was very friendly. Leaving from Falmouth Harbor is much easier than dealing with the traffic to Woods Hole. The crossing was more like a 35 minute "mini-cruise", with plenty of outside decks for sunbathing, and a decently stocked bar... I wholly recommend the Island Queen.

Sailing to **Martha's Vineyard** is fast, convenient, affordable and fun for the whole family!
