WHALE WATCH TOURS

FREE SHUTTLE

to our tours from the ferry and island lodging!

RESPECTFUL INTERACTION WITH WILDLIFE

See Orca Whales, Bald Eagles, Seals, Porpoise, Otter, Great Blue Heron, Seabirds, Sea Stars, Kelp Forests, Wild Mink and more. We see Orcas on over 90% of our tours during peak season June-September. We are members of the PWWA Whale Sightings Network and The Whale Museum. Our philosophy is to observe, but not to interfere, with all wildlife.
