COMIDA MEXICANA

Del Mar Highlands Town Center

Welcome to Casa Sol Y Mar, the newest member of our Bazaar Del Mundo family of Mexican restaurants. We prepare all of our dishes and salsas with only the freshest ingredients using seasonal California grown produce whenever possible. Our menu features traditional Mexican cuisine — seafood specialties, delicious Carne Asada, Enchiladas Suisses, combination plates, vegetarian and gluten free items as well as a great kids menu. Enjoy all of it in our magnificent patio or festive dining rooms and cantina.

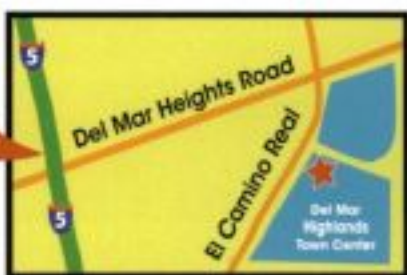

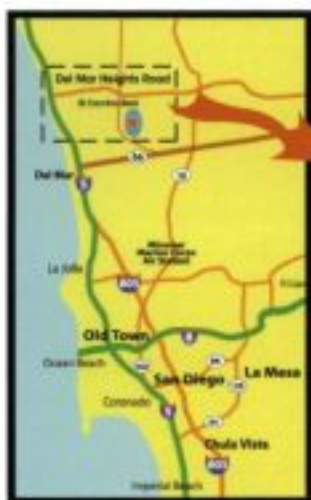

We hope you enjoy our regional Mexican cuisine and our traditional margaritas.
