Bates Nut FARM

Our farm store is open daily and offers nuts – raw or roasted and salted – and a wide selection of sun dried fruits, chocolates, fudge and candies. You'll love coming out and having a picnic in the beautiful tree-filled park and feeding the menagerie of farm animals. The Bates Nut Farm has become well-known for its special events held through-out the year on the 100-acre ranch.

For over 40 years, families have made it an annual tradition in October to come out to Bates in search of the perfect pumpkin. The Pumpkin Patch is the largest, oldest and most famous in San Diego County. Arts and Crafts Fairs, Gourmet Food Truck Festivals, Dog Shows, and Car Shows are held throughout the year. For groups of 15 or more, you can take advantage of our educational tours: **"Nuts For You"** and **"The Life of a Pumpkin."**

For more information call (760) 749-3333 or visit us at www.batesnutfarm.biz to order online.
