A Spectacular Ocean View

Set high on a cliff overlooking the most spectacular ocean view in La Jolla, Crab Catcher offers an unforgettable dining experience. Fresh seafood is our specialty; the exciting flavors of California and the Pacific Rim our inspiration.

An Envable Location

Crab Catcher enjoys an enviable location in the heart of the village on Prospect Street. Down the wooden stairway you'll enter the world that La Jolla used to be. Quiet, serene, framed by the sea. Reminiscent of the shingled cottages that once graced the oceanfront. French doors welcome the sun and the breeze. Hidden, flower-rimmed patios invite you to pause and dine.

A Casually Elegant Atmosphere

Whether you stop by for brunch on Sunday, a business lunch, cocktails at sunset or a leisurely dinner, you'll enjoy the casually elegant atmosphere that Crab Catcher always has in store. The thoughtful attitude of our staff will make you feel specially welcome.
