Chase away the winter blues with this hilarious and endearing comedy! **Winner of the 2013 Tony Award for Best Play**, this hit Broadway comedy was hailed as "hugely entertaining" (USA today), and "deliriously funny" (NY Times). Middle-aged siblings Vanya and Sonia (named after Chekhov characters by their hyper-educated parents) live uneventful lives until their self-absorbed movie-star sister Masha returns home with her 20-something boy-toy Spike in tow to shake things up. Add to the mix, a wanna-be young actress named Nina, a housekeeper named Cassandra who sees into the future, and a delightful rant about the joy of life

before cell phones, and this is one family reunion you'll want to attend! *Contains some adult language and one hot guy in his underwear.*

Location: 31 Maple St, Downtown Lewiston
