# SAFE

Drive, ride and operate specially engineered construction themed rides that offer families a safe, fun & unique experience together. Enjoy over 40 thrilling attractions including real machines, ropes course, zipline and much more.

# FUN

There's buckets of fun for everyone! Families and kids of all ages will find something they dig at the park. Most rides can be enjoyed by children 36" or taller with an adult.

# CLEAN

Diggerland is good, clean fun! We pride ourselves on keeping Diggerland in tip-top shape. Let our machines do the digging so you and your family can focus on building memories.
