ITALIAN SPECIALTIES

150 Mill St., Lewiston • 207-782-2088 • www.davinciseatery.com

DaVinci's eatery is located in the historic Bates Mill Complex at 150 Mill St. in Lewiston, Maine. Our menu features house made Garlic Knots, Fresh Soups, Brick Oven Specialty Pizzas, and a wide array of Italian Specialties. We offer extensive lists of craft beers and wine, a full bar service and a gluten conscious menu.

Inside you will experience a casual atmosphere with décor accented by the Mill's original brickwork and wooden beams, as well as a collection of Vespa scooters and antique bicycles. Our brick oven and exhibition kitchen help complement your dining experience.

We have good, quality food with portions that won't let you leave hungry. The exposed brickwork and wooden beams from the original Bates Mill lend itself to a unique dining experience. If you come on a Thursday, Friday and Saturday evening for dinner you can feel the electricity in the air – the entire restaurant is buzzing with positive energy from guests.

We accept reservations for lunch and dinner Sunday through Thursday and on Friday and Saturday until 4:00 p.m. Reservations for Friday and Saturday night are accepted on a limited basis for large parties. Walk-ins are welcomed.

Please call (207) 782-2088 to make a reservation or to check on availability.

Full catering services are available for off-premise events, as well as on-premise in our function room. The "Grappa" Room seats up to 65 people and is perfect for wedding-related events, anniversary, birthday or retirement parties, and much more. Audio/Visual equipment is also available to help make your event memorable.
