# GET YOUR WILD LIFE ON!

## DRIVE-THRU ANIMAL PARK

Ride in the comfort of your own vehicle or take one of our bus tours!

### OVER 450 ANIMALS!

# 300-Acre Animal Park

# GET YOUR WILD LIFE ON WITH THE WHOLE FAMILY!

## Educational & Fun!

We offer our guests the opportunity to learn about nature and animals in a fun and exciting way. By reading about the species and interacting with them you'll take away knowledge and a renewed appreciation for wildlife. We hope that providing this opportunity helps everyone become more environmentally aware and conservation minded!

## Serengeti Adventure!

From the moment you enter the gates of the Wild Animal Safari, you begin an unforgettable adventure! During your Wild Animal Safari excursion through our 300-acre park, you will see hundreds of wild and exotic species of animals from around the world. Most of these beautiful creatures roam and graze freely. Many will come right up to your window for a scratch on the head or perhaps a bite to eat. **A perfect family adventure!**

## Take a Photo Safari

Have your cameras handy because our animals will give you plenty of photo opportunities. On your visit to Wild Animal Safari you might pet a Giraffe, get caught up close and personal with a Zedonk or catch a group of Buffalo grazing by the road. You never know what you'll see, so bring your camera and see what moments you can capture!

## Drive on the Wild Side!

Whether you choose to drive through our 300-acre park or take a guided bus tour, you will experience an unforgettable adventure at Wild Animal Safari. **See over 65 species of animals!**

## Take a Group Safari

Need a great location for your group outing? We have guided bus tours, catered group picnics, company picnics and more. Call us today and see how we can help you plan an exciting group trip.
