about your Kay's Fine Jewelry experience

We've been buying from Kay's for over 10 years (primarily in Aruba), but have also made purchases in St. Maarten and have browsed their store in St. Kitts. Along with our purchases, we have referred many family members as well as friends to Kay's along the way!

Kay's is truly a "family business" and they make you feel like part of their family while visiting their stores. In addition to having fantastic deals, they are friendly and professional. They take customer service very seriously. And trust me, you won't leave any of their stores empty handed.

We have been, and will remain, loyal to Kay's for many years to come.

After many many years of vacationing in Aruba, no trip would be complete without a visit (or visits) to Kay's Fine Jewelry. Each year we look forward to seeing all the beautiful new collections and unique creations

that are exclusive to Kay's. Yes, we love your beautiful jewelry pieces, your huge selection of gem stones and watches, and your unbeatable prices. But, what keeps bringing us back year after year, is you, and your amazing family and staff. Everyone is always so friendly, warm and welcoming to us, making us feel like special guests in your home, instead of just customers in your store. Not only are you our "go to" jeweler, and purveyor of all things beautiful, you, Ash, Sonny and Reena have become our beloved friends. We along with our boys and wives value that friendship and the great relationship we've developed over the years. Years ago we walked into Kay's, curious about the complimentary gem stone you offered. Little did we know that little stone would lead to so many beautiful pieces of jewelry, but more importantly to the real "gems" in life, wonderful friends.

Michael and I met in the most unique way, and we knew that when it was time for us to get married, we needed a priceless unique way to start our life together. Kay's Fine Jewelry was our only option, as the quality of their jewelry is above and beyond exquisite. Michael and Tesh have been friends for a long while, yet as soon as I met Tesh and his wonderful bride and family, I felt as if I had known them forever. We were very selective in the entire engagement ring/wedding ring process, and Kay's Fine Jewelry was not only patient, but honest and extremely knowledgeable about finding us the perfect pieces. We wouldn't have chosen another jeweler as this family business is warm, welcoming, and sincerely special to us. We both get compliments on our rings all of the time, and we proudly say that we put all of our trust and faith into Kay's Fine Jewelry; it is the only place we will ever shop, and we recommend them highly to anyone who wants something beautiful, high quality, and exceptional.

My husband and I love to cruise and love jewelry and everything came together for us a few years ago when our cruise stopped in beautiful St. Maarten brought us to Kay's Fine Jewelry at the cruise port. The first thing I found that I liked at Kay's was no pressure. No one "hovered." Then I was struck by the huge variety of pieces on display and the beautiful stones that were in the cases as well.

I have bought things from Kay's and given them as gifts and have thrilled so many people with the beauty of the piece. We have also met customers in the store who, like my husband and myself come back to Kay's year after year.

If you are in the Caribbean and do NOT go to Kay's Fine Jewelry, you are missing the opportunity to find some beautiful, fairly priced jewelry from people who truly want you to enjoy what you buy for a very long time.

We always plan our cruising adventures to include a stop in St. Maartens to visit our dear friend Yogi at Kay's Jewelers. Yogi always gives us the most professional and caring assistance of any jewelers that we

have ever met. His expert knowledge of jewelry and how he matches his inventory to our jewelry requests in a timely manner continuously make our purchasing experiences top notch. We trust Yogi's and Kay's integrity, quality and very fair pricing structure. Our US appraisals on Kay's jewelry are always higher than our purchase price. Just wanting to express our awe and wonder at the outstanding job that you do in your store!

We cannot express enough how much QUALITY, EXPERTISE and CARE that you put into each and every piece of jewelry.

Over the past eleven years that we have been visiting your beautiful island of Aruba, we have come to know you, Ash and Tesh, on a very close almost family type of basis. Every person in your store has handled everything with the utmost care. With every attention to detail that truly makes the experience one of a kind. It has always been our pleasure to recommend your business, at any of your locations, to any of our family, friends or associates who we know are going to be traveling in the Caribbean. We cannot rave enough over the FINEST and truly UNIQUE pieces of jewelry that have been in your show cases.

Again THANK YOU for a most wonderful jewelry shopping experience!

We have had the privilege of being a customer of Kay's Fine Jewelry for over 8 years. We always feel welcome from the time we enter the doorway. I have a problem as I use a cane and a scooter and the store at the Pier in St. Maarten is handicapped friendly which is a big

perk for me. I let Prince know what I am looking for and he never disappoints in choosing beautiful pieces of jewelry for me to look at and purchase. Our daughter is also a customer (2nd generation) of Kay's as well. My husband and I purchased jewelry for our 50th wedding anniversary at Kay's while we were on a cruise a few year's ago. We continue to go back to Kay's as we feel we can trust them and that is a big plus.

Thank You,

We have been dealing with the Kay's FJ family for over 10 years and their knowledge and expertise is above all expectations. Kay's is not just a jewelry store but an organization built on friendship and trust.

We take pride in wearing all our uniquely designed jewelry and have a personal attachment with each piece. We have recommended our friends and family and everyone always becomes a customer. It has become an annual tradition to visit them at any of their locations in the Caribbean.

At Kay's, you are not a customer, but a member of a well respected family!
