Come Enjoy Cold Spring on Hudson

Just one hour and 100 years from New York City, our historic riverfront village is a haven from the hustle and bustle of everyday life.

Stroll our landmark Main Street district lined with antique shops, specialty shops, and restaurants. You'll find unique choices of antiques, vintage collectibles, gifts, toys, clothing, jewelry, and home and garden accessories every day of the week. Then slip into a restaurant or cafe to sample variety of delicious fare, from burgers and ice cream to fine wine and casually elegant dining.

Browse galleries and gardens, tour museums, see a play or take in a concert. Soak up the sun in our riverfront parks, then watch it set behind West Point and Storm King Mountain.

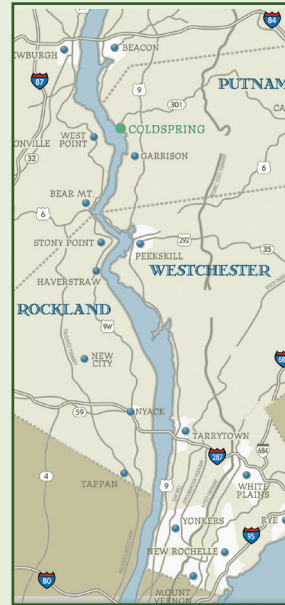

Prefer hiking, kayaking, or birding? The Hudson Rover and our pastoral countryside offer world class recreation year-round. Several charming inn offer lodging for mid-week or weekend getaways.

We look forward to sharing our village with you and welcoming you again and again.

By Train: Take Metro-North Hudson Line from NYC's Grand Central Terminal, then a short stroll to Main Street.

Free Parking: Available on village streets, in municipal lot on Fair Street (4th right turn off Main Street) and in Metro North commuter lot on weekends and holidays (left turn off Main Street on Lunn terrace, cross the bridge, then left onto Market Street)
