

Award Winning Breakfast, Brunch & Lunch

Established in 2005 by restaurateur and Baltimore native Eddie Dopkin, Miss Shirley's Cafe was created as a tribute to an inspirational employee and personal friend, Miss Shirley McDowell. McDowell, a food professional at The Classic Catering People, was known for her sassy charm and sheer joy of preparing dishes for those she loved. Corporate Executive Chef Brigitte Bledsoe has crafted a bold menu that reflects both McDowell's Southern flare with Bledsoe's love of fresh Maryland ingredients.

Miss Shirley's Cafe is an allergy conscious restaurant, and we strive to accommodate all Food Allergies, Preferences & Intolerances.
