## Bon Bini... Welcome to The West Deck

Our vision for this restaurant is based on its location, a large deck overlooking the west side of our Island... tranquil, serene and full of Caribbean flavor.

Our menu is created on local and Caribbean "Small Plates" (appetizer-sized portions) giving our patrons the maximum flexibility in choosing as many items as they wish. Each plate is served as a SINGLE portion and comes with no sides. Simply create your own meal by selecting your add-ons. Experiment with new aromas and tastes. Interested in a full meal? No problem, our service staff will be delighted to explain our daily Blackboard Specials.

Just want to relax with some friends and nibble? Simply order by the dozen! Your food will be served in wooden crates and you help yourself to your utmost delight.

Our mission is to create an environment by the ocean that will awaken your senses and satisfy your palate by offering you a unique and creative menu.

"To share or not to share..."

Enjoy!
