Meet Capt. Dave

Produced the award winning film *WILD DOLPHINS AND WHALES OF SOUTHERN CALIFORNIA*.

He was a guest on *The Ellen Show* to talk about the issue of entangled whales and share his book *LILY A GRAY WHALE'S ODYSSEY*, which won nine awards including the prestigious IBPA award for Best New Voice. The book was written to raise awareness of by-catch from fishing gear entanglement.

Capt. Dave founded Orange County's first whale disentanglement group and is an passionate conservationist and speaker.

Photos & videos taken during our trips by Capt. Dave and his staff are often featured on *CBS This Morning*, *NBC Nightly News*, *The Today Show*, local network affiliates, the Travel Channel, Discovery Channel, and National Geographic, as well as on the covers of newspapers and magazines worldwide.

We also see year round....

Fin whales, humpback whales, minke whales, bottlenose, common, pacific white-sided, and Risso's dolphin, plus brown pelicans, ocean sunfish, and more.

We see sea lions on nearly every trip!
