SUPERB PUB FARE & GREAT BEER

Pike features local, sustainable and seasonal pub fare. As you relax over a great meal and a delicious ale properly served at your table, you can observe our brewers as they navigate the spiral staircase in the center of Pike's unique multi-level brewhouse. Aromas of herbaceous hops and toasty, earthy barley malt, blend with the perfume of handcrafted bratwurst, smoked salmon, farmhouse cheeses, and other artisan dishes that make visiting PIKE a pleasure to the nose as well as the palate. Be sure to save room for a Pike XXXXX Stout Float.
