A Taste of Carlsbad

You will take a leisurely stroll through the heart of Carlsbad Village, taste a specially-selected variety of foods and wines from local restaurants and boutique shops, and become acquainted with the unique history and culture of this magical city.

"Just do it...You won't regret it!"

Really enjoyed all aspects of this tour. There wasn't one of the 7 stops that disappointed and all had excellent aspects...particularly the cinnamon roll...which I don't normally even like! It was great to chat over great food with other guests and Cherie, our guide. Great variety of places, foods, history, art, culture and FUN! What more could you ask for?"

Trip Advisor Review June 5, 2015

Your Carlsbad Village Tour will last about three hours and takes you to some of Carlsbad's most interesting local eateries. You will sample delicious tastings along the way, including:

- Award winning local wines
- Freshly baked garlic bread
- Homemade cinnamon rolls
- Rich dark chocolate
- And much more!
