

BIPLANE RIDES!

North San Diego County

- Take a **magical** flight in an open-cockpit **biplane** - it's flying like the good old days when barnstormers ruled the skies!
- Two passengers sit side-by-side (*or by yourself*) with our pilot **flying** from the rear cockpit.
- Coastal North County has **dazzling** beaches, glorious sunsets, miles of ocean and a carpet of lagoons and flowers that will **thrill** your soul!
- Fun Flights Biplane Rides fly an **authentic** 1929 Travel Air based at Palomar Airport, Carlsbad.
- For more information, see **www.funflights.com** or phone **1-855-TWO-WING (1-855-896-9464)**.

* With purchase of 1 flight
Subject to availability, size & colors may vary.

What
People

are
saying!

"This was fabulous!! Would recommend this to anyone. I enjoyed the flight, got to fly the plane a bit and had a fun aerial view. Still thinking about it today!"

- Phebe

"It's 1929's finest technology - fabric wings, wooden frame, fan on the front and people with a huge grin!"

- Lou

"We went flying with Biggles today. What a blast! I'm going to give Fun Flights as gifts."

- Ron

Brian "Biggles" Shepherd
Chief Pilot

"Your safety and the safety of others, both in the air and on the ground, is our number one consideration. Our aircraft is meticulously maintained adhering to strict FAA guidelines. Our pilots have thousands of hours of experience and are never happier than when in the air"
