# SEATTLE AQUARIUM

*Inspiring conservation of our marine environment*

See magical moon jellies, playful otters, incredible octopus, flashy fish, and other amazing sea creatures in award-winning exhibits.

Touch live sea stars, urchins and more in the Life on the Edge exhibit where you experience Washington's wild outer coast and Seattle's inland seas.

Explore the underwater world of the Pacific Northwest and a tropical Pacific Coral Reef. Experience the Window on Washington Waters exhibit and talk to divers.

**Green Practices** The daily operations of the Aquarium include recycling, composting, rain barrels, solar assisted hot water heating, sustainable seafood for our animals and education for guests.
