The Nordic Heritage Museum shares Nordic culture with people of all ages and backgrounds! It is the only museum in the United States that represents the cultural heritage of all five Nordic countries: Denmark, Finland, Iceland, Norway, and Sweden.

Visit the Museum to view extensive permanent collections that feature the stories of Nordic-American immigrants and their impact on the Pacific Northwest, as well as the treasured items they brought with them including folk costumes, textiles, tools, and furniture.

Additionally, cutting-edge rotating exhibitions showcase artwork, photography, design, culture, fashion, and more from the Nordic countries and Nordic-Americans today.

Read more about these exhibitions at www.nordicmuseum.org and view the full schedule of concerts, lectures, films, craft and language classes, and special events the Museum has to offer.
