

WYNDHAM GARDEN®

Brooklyn Sunset Park

WYNDHAM GARDEN BROOKLYN SUNSET PARK, NEW YORK.

A contemporary boutique hotel that is both stylish & inviting. The result is a 70 room modern hotel that provides the guests with a chic atmosphere that compliments its New York roots. Each room in the hotel is equipped with all the amenities any traveler could ask for, and some boast views of the New York skyline. Each room is fully equipped with; a Frost Glass enclosed marble bathroom (keeping a light and open feeling), handsome plumbing fixtures, all custom-made furnishings, ample storage space, fine linens, online hook-ups, state of the art lighting design, etc.

Each floor of the hotel is designed around a seasonal theme (Winter, Spring, Summer & Autumn), with full height wall murals throughout the building, and in each guest room. The complimenting color scheme on each floor was carefully adjusted to balance with the seasonal murals. Including the specialized carpeting planks that run throughout each of the 7 levels (shags, cut & loop piles, and sculpted carpeting). For a sense of richness and for durability, the Hall walls are lined with slabs of wall tile and stone (a balance of rough-cut and polished surfaces to play with the reflection of light).
