

The background of the entire image is a deep blue ocean scene. In the upper right, a penguin is partially visible. In the middle left, a clownfish swims near green sea anemones. In the center, a circular inset shows a dragonfish near a piece of coral. In the lower right, a large orange jellyfish floats. In the lower left, there is yellowish seaweed.

Dragons

# Aquarium of the Pacific

**V**isit the Aquarium of the Pacific in Long Beach and discover two new exhibits: *Horses and Dragons* and *Vanishing Animals*. Explore the fantastical world of seahorses and seadragons, and discover animals facing extinction. Don't miss Aquarium favorites like the penguins, sharks, sea otters, and sea jellies. There is always something new to see and learn for all ages. Group programs and discounts and special evening events for adults are available.

Visit during special holiday and summer Discounted Late Nights throughout the year. Aquarium discounted combo tickets are available for the Los Angeles Zoo, Queen Mary, and Natural History Museum of Los Angeles.

It's easy to get here: Take the 710 Fwy. South. Follow signs for the Aquarium and downtown Long Beach. The 710 becomes Shoreline Drive. Turn right on Aquarium Way.

**Open 9AM-6PM, 7 days a week\***

\* Closed to the public Christmas day and during Long Beach Grand Prix, April 7-9, 2011. Dates subject to change. See website for details.
