# Aquarium of the Pacific

**Discover the wonder** at the Aquarium of the Pacific. Just added this year are the opportunity to touch bonnethead sharks, cownose rays, and horseshoe crabs; new exhibits on the Southern California steelhead fish and the highly endangered Guam Kingfisher; and a chance to learn more about how we care for the animals behind-the-scenes. Don't miss Aquarium favorites like the penguins, sharks, sea otters, and lorikeet birds! With over 11,000 inhabitants of the planet's largest ocean all in one place, it's no wonder there's so much to see, touch and experience. Group programs and discounts are available.

**Now Available:** Behind-The-Scenes Tours, boat trips, Animal Encounter feeding experiences, dive programs, and 4D films.\*

\*Limited availability and additional charge. Advance reservations required for Animal Encounters and dive programs. Please see ticket window, website, or call for details.

It's easy to get here: Take the 710 Fwy. South. Follow signs for the Aquarium and downtown Long Beach. The 710 becomes Shoreline Drive. Turn right on Aquarium Way.

Open 9AM-6PM, 7 days a week\*

\* Closed to the public Christmas day and during Long Beach Grand Prix. See website for details.
