

TAKE A VACATION FROM YOUR VACATION

THE TIME IS
NOW

GET MOTIVATED!

In the hyper-competitive world of Los Angeles tourist sights and attractions, the Museum of Tolerance is something of a miracle. Without the easy lure of thrill rides or blockbuster art, the MOT has been garnering rave reviews and record attendance for powerful interactive exhibits on the Holocaust and highly charged subjects such as Human Rights, Diversity, Intolerance, and Immigration and Family.

Perhaps no other institution offers such a motivational mix of history lesson and personal empowerment. Come visit us soon. Explore, discover and experience. We promise you, it will be one of the most meaningful and, yes, entertaining days of your life.

We look forward to meeting you...at the MOT!
