# SEATTLE'S HOME SKI RESORT!

## NEW for 2015-2016

Still the best value in the PNW, The Summit offers even more this winter with a brand new chairlift and new terrain at Summit East, new Boyne Resort benefits, plus passholders get peace of mind with our ever-popular Snow Guarantee!

### Real, Real, Close

Less than an hour from Seattle on a major interstate translates into more time on the snow and less time in the car.

### 4 Base Areas / 2,000 Acres

Whether you like the steep & deep, high-speed buffed-out cruisers, gentle learning areas, or signature terrain parks, we're THE place for winter fun!

### The Best Place to Learn

We make it easy for first-timers to learn skiing & snowboarding with our First Class beginner lesson packages that include lessons, equipment rentals, and a lift ticket - all for one low price!

### Night Skiing

Hit the slopes even after a full day at work or school. The Summit is open until 10pm six nights a week with the most lit terrain in Washington State.

### Nordic Center

More than just Alpine, The Summit also has over 50km of easily accessed trails for cross country skiing and snowshoeing, plus Nordic & snowshoe rentals and lesson programs for all ability levels.

### Snow Tubing Center

Where Seattle goes snow tubing! Snow tubing is winter exhilaration for the whole family. No experience or skill required - just pure fun! Try it!

### Big S Season Passes

Bottom line - simply the best value in the Northwest!
