We are a beautiful Bavarian village, nestled in the magnificent Cascade Mountain Range-on the sunny side of the state! Once a vibrant logging town teetering on the verge of extinction, the townspeople of Leavenworth, through ingenuity and perseverance, transformed the town of Leavenworth into a premier travel destination complete with old world charm.

With white winters (and wine), lush springs (and spos), crisp autumns (and pears), and warm summer sunshine, it's no surprise Leavenworth holds four seasons of fun. There's a different activity for every day of the week, and memories to be made around every corner in the Bavarian Village.

Stroll through the streets of Leavenworth to experience world-class wine, food, and beer, and wonderful shopping, all served with a side of lederhosen. Visit during one of our many festivals, including Ice Fest, Maifest, Oktoberfest and the magical weekends of Christmas Lighting for an unforgettable experience. Willkommen to Leavenworth!
