## Who wants to go parasailing?

- Safe, easy & fun! Take off and land directly from the boat's flight deck.
- Anyone can do it. If you can sit, you can fly!
- Sail on a new 15 passenger "state of the art" parasailing vessel.
- Fly up to 800 ft over the Pacific Ocean (FAA maximum legal height limit).
- We fly tandems & triples side-by-side for ultimate fun in the sky.
- Stay dry. Only get wet if you want the "dip" in the ocean during your ride.
- Observers welcome (space permitting).
- For an unforgettable event, have your next birthday party, bachelor/bachelorette or group outing with us (15 persons or fewer).
- Ages 6 & up.
- 10 years experience and over 40,000 flights.

sending you smiles from the sky.

Breathtaking panoramic views of Santa Monica, Venice Beach, Malibu... and all of Los Angeles!
