## BEYOND PARIS AND HOLLYWOOD: UNTOLD STORIES AND CHATEAU MONTELENA CHARDONNAY

The 1976 Paris Tasting, and the 2008 Hollywood movie based on it, are part of our history and continue to attract fans of the story. Ultimately, the real hero of the story is our Napa Valley Chardonnay, which is very much in the present and lives on as a classic American wine. Through a candid video presentation by Master Winemaker Bo Barrett, guests will get an insider's peek at what really happened before, during, and after the actual Paris Tasting and in the early days of Chateau Montelena.

Chateau Montelena Chardonnay, more than 35 years after the event, is an enduring example of world-class winemaking.

**\$40 per person / Thursdays at 9:45 am / Reservation Required**
