Visit one of Napa Valley's oldest wineries

Situated in the heart of the Napa Valley, one of the world's premier winegrowing regions, V. Sattui has established itself as one of the oldest and most successful wineries in the U.S. Founded in San Francisco in 1885 by Vittorio Sattui and brought to the Napa Valley in 1974 by his great-grandson Dario Sattui, V. Sattui has a more than 125-year-old tradition of producing excellent and affordable wines sold only at the Winery.

Sample award-winning wines

Through the years, V. Sattui wines have earned the highest recognition in both national & international competitions. From 2009 through 2013 alone, V. Sattui was awarded an astounding 410 Gold or Platinum Medals, tops in the nation, with more than 24 wines rated 90 points or more in just the last year. And nine times in the last decade V. Sattui was voted "Winery of the Year" at some of the most prestigious wine competitions in America.
