Visit the picturesque town of Avalon or the rustic village of Two Harbors.

In Avalon, try the new Zip Line Eco Tour, featuring five zips that take you from canyon to beach at heart pounding speeds. Another new activity is the Sea Trek

Undersea Adventure. Walk along the ocean floor with a specially designed underwater helmet. Avalon is loaded with activities, tours, golf, shopping and dining. You can snorkel, kayak, parasail for a great day or overnight getaway.

Down the coast sits Two Harbors, a spectacular remote location with campgrounds, hiking, beautiful beaches and a historic bed and breakfast.
