ComedySportz® is improv comedy played as a sport. You'll see two teams of comedians pitted against each other in a variety of games, in which they compete for audience laughter.

ComedySportz® is fun and fast-paced and it is **great for everyone** - families, dates, parties, business entertainment, etc. Every match is driven by audience suggestions, and you pick the winners, so no two matches are alike.

We have a bar

We do funny.

At CSz Seattle our comedians specialize in improv comedy, meaning every show is based entirely on your suggestions. Whether you are enjoying ComedySportz® or any of our other improv comedy events, our trained professionals have no plan and willingly dive headfirst into almost any challenge the audience will throw at them, resulting in unforgettably hilarious moments. For those reasons, no two experiences at CSz Seattle are ever the same.
