FREE WILLY 2

Rumor has it that the Mystic Sea was in the movie Free Willy 2. It's true! The Mystic Sea was the Warner Bros. official shoot boat for 3 months in the San Juan Islands. Make history with your own family adventures in the waters where Free Willy 2 was filmed. On The Mystic Sea everyone is a star!

MYSTIC SEA CHARTERS

is a member of PWWA as well as many other whale friendly associations. Mystic Sea Charters follows all whale watching guidelines which assures safe and respectful whale watching.

We are in the whales home and they deserve our respect. Mystic Sea Charters limits their whale watching cruises to one per day as this ensures being respectful of the whales.
