FREE WILLY 2

Rumor has it that the Mystic Sea was in the movie Free Willy 2. It's true! The Mystic Sea was the Warner Bros. official shoot boat for 3 months in the San Juan Islands. Make history with your own family adventures in the waters where Free Willy 2 was filmed. On The Mystic Sea everyone is a star!

MYSTIC SEA CHARTERS

As a SAFE member, we have the exclusive use of a float plane and whale spotter pilot. This, in addition to our Pacific Whale Watch Association sighting network hotline, and our knowledgeable captains and crew, enables us to guarantee whale sightings. Go with the best, go with a SAFE member!
