THE
SENATOR
COURSE

simply great course

The Senator Course is named for Florida State Senator Ernest Graham and his son, U.S. Senator Bob Graham. Ernest Graham was elected to the Florida State Senate in 1936 where he served two terms, and Bob Graham was elected to the U.S. Senate in 1986 where he served three terms. The Graham family has been an important part of South Florida's history since their arrival in the early 1920's. This classic style course is an original design of Bill Watts. The Senator Course has recently been updated by nationally recognized Golf Course architect, Kipp Schulties.

For more than 40 years the staff at Shula's has been the industry leader in Golf Events and Tournaments. Set in a relaxed and comfortable environment, Shula's Senator Course is the perfect location for an annual golf trip, great golf, and great steak (home to The Original Shula's Steak House - one of America's best). From the moment that we meet, your event will be handled with one-on-one care by our event coordinators.
