BODIES REVEALED

fascinating+real

Bodies Revealed invites visitors to see the human body's inner beauty in educational and awe-inspiring ways. Come explore, experience and celebrate the wonder of the human form in person and discover how your body works.

Bodies Revealed features real human bodies donated for public education, preserved and respectfully and artistically displayed.

Bodies Revealed presents major systems of the body:

- Skeletal • Respiratory • Reproductive • Muscular • Digestive
- Nervous • Circulatory

After you experience *Bodies Revealed*, head over to the H-E-B Body Adventure Powered by University Health System to discover how to keep your body healthy through movement, healthy eating habits, meditation and more!
