THINK

An exploration into making the world work better

THINK

An exploration into making the world work better

NOW ON EXHIBIT

The *THINK* experience explores how technology influences the way we live and work. You will see how science and technology define life in the 21st century, even in ways you may not realize. This 7,000 square-foot interactive exhibit is designed to showcase how technology and innovation have transformed the world. *THINK* is an experience that celebrates the wonders of our technological world and explores the possibilities of tomorrow.

MUSEUM HOURS:

Monday - Saturday: 10 am - 5 pm

Sunday: Noon - 5 pm

THINK was created and developed by IBM.

Funding for the installation at the Fort Worth Museum of Science and History provided by Betsy and Steffen Palko, Charlotte and Jim Finley and William E. Scott Foundation.
