Rainforest Cafe®

A WILD PLACE TO SHOP AND EAT®

It's a safari for the senses - the feel, the sound and the visuals of a tropical rain forest. With the help of creative décor, animatronics and special effects, the Rainforest Cafe has created the most realistic indoor rain forest ever imagined. Lush vegetation, larger-than-life Banyan trees, simulated rainstorms complete with thunder and lightning and a variety of animatronics make this destination place an adventure to remember!
