**BRAVEN BLACK PALE ALE** 6  
BROOKLYN, NEW YORK  
ABV: 5.2%

A drinkable contradiction - a Black Pale Ale. Earthy, citrus hop undertones accompany the stout-like snap of chocolate and espresso in this dark spin on the classic American Pale Ale. Surprisingly crisp, Braven's Black Pale Ale offers a drinkability that is as welcoming to the craft beer novice as it is rewarding to the experienced connoisseur.

**BROOKLYN SORACHI ACE** 7  
WILLIAMSBURG, BROOKLYN  
SINGLE-HOP FARMHOUSE SAISON 7.6%

A cracklingly dry, hoppy unfiltered golden farmhouse ale made entirely with Sorachi Ace hops from Japan. It is fermented with a special Belgian ale strain and then more Sorachi Ace hops are added post-fermentation. The beer emerges with a bright spicy lemongrass/lemon zest aroma backed by a wonderfully clean malt flavor. It tastes like sunshine.

**BROOKLYN DEFENDER** 7  
WILLIAMSBURG, BROOKLYN  
RED IPA 6.7%

This bright, juicy, West Coast-style Red IPA. Fruity hop bitterness and an intensely resinous nose lead the way into a dry finish that blazes the trail for your next sip. Brewed in collaboration New York Comic Con as the official beer of the convention.

**MONTAUK DRIFTWOOD ALE** 7  
LONG ISLAND, NY  
ENGLISH PALE ALE 6.0%

This well-balanced English Pale Ale is known for its dark copper color and easy drinkability. Victory malts give this beer terrific toasty, nutty and biscuity flavors.

**KELSO NUT BROWN**  
CLINTON HILL, BROOKLYN  
DARK LAGER 5.75%

A delicious dark lager made with German Munich malts and a generous amount of pacific NW hops for a full malt flavor, spicy hop background and a clean, crisp finish.

**BRONX BREWERY RYE ALE** 7  
BRONX, NY  
PALE ALE 6.3%

A crisp, golden-orange pale ale with bold rye and piney hops. Maybe not the easiest pale ale to brew, but we think it's worth the effort. The intense rye spice and woody Pacific Northwest hops are a perfect companion for those nights under the stars with friends and music.

**GINGA NINJA** 7  
CONNECTICUT  
RED IPA ALE 6.5%

Red IPA brewed with 6lbs of ginger in each batch and hopped with Centennial, Cascade, and Bravo hops. Tropical fruit and spicy ginger aromas precede a spicy ginger and bitter hopped flavor.

**BAD SEED DRY HARD CIDER** 8  
HUDSON VALLEY, NY  
ABV: 5.5%

Crisp and light, delicate apple undertones with a refreshing dry finish. Made from fresh-pressed apples grown in New York's Hudson River Valley, Dry is hand-crafted in small batches.

**WOLFFER ESTATE ROSE CIDER** 10  
SAGAPONACK, NY  
ABV: 6.9%

Produced by longtime winemaker Roman Roth exclusively from NY apples, the bulk of which are grown by White Cap Farm in Water Mill. A blend of 9 varieties, pressed and racked for sediment in February, fermented for 2 weeks and aged on its lees for a month before filtration and carbonation.

**WAR FLAG AMERICAN PALE ALE** 8  
GREENPOINT, BROOKLYN  
ABV: 4.8%

War Flag's American Pale Ale was created to honor Americans' love for great tasting beer. Featuring biscuit malt flavors balanced with slightly spicy and citrus aromas. This APA finishes bright, clean and dry to capture the essence of an easy drinking beer.

**SIXPOINT HI-RES** 10  
REDHOOK, BROOKLYN  
TRIPLE IPA 10.5%  
SPECIAL RELEASE

To see the hop cone up close, we zoomed in microscopic, and found a hi-res view. In Hi-Resolution, the hop optic was magnified; our perception, fully amplified. It's microscopic. It's telescopic. It's off-topic. It's Mad Science.
