BIKE, WALK, BUS, OR DRIVE TO PIKE

The Pike Pub is an easy walk from all downtown hotels and attractions. Ride the bus or light rail to the University Street tunnel stop just one block away. Bike parking is available at our Post Alley entrance, across from Post Alley Park.

PIKE BEERS

We handcraft beers of intense flavor and character using only the highest quality ingredients, locally sourced, and organic whenever possible. At the Pike Pub our beers are served in perfect condition directly from the brewery's bright beer tanks. Ask for cask or the Pike samplers, two different flights of six 4 oz. tastes with printed descriptions on a tasting card. Also featured are local guest beers including sours, local wine and cider on draft, and local spirits. Take home a growler, bottles or cans of Pike beers in 6 packs, or 22oz. dinner bottles. Beer gift packs are also available.
