IN FRESH SEAFOOD**
since 1981

Renowned for its spectacular waterfront views and seasonally selected wild Ocean Wise fish, The Boathouse serves the best seafood on the West Coast.

As an Ocean Wise partner, The Boathouse Restaurant is committed to serving only the finest seafood caught sustainably from British Columbia waters. Combined with ingredients from local farms and an extensive selection of B.C. VQA wines, The Boathouse offers a taste of fresh, local, honest food—all with a great view on the side. Whether grabbing brunch with friends, sharing a pot of steamed mussels on date night, or celebrating a milestone over perfectly grilled Certified Angus beef, you'll see why The Boathouse is like no other dining experience on the B.C. Coast.
