SEAPLANE FLIGHTS & TOURS

VANCOUVER 2018

★★★★★ "A must-do way to get to Vancouver Island."

"Saw these planes when we arrived in Vancouver and thought we must do this. It was a great way to get to Vancouver Island quickly and whilst getting great views of the city and the sea and the islands. Staff were fantastic, always helpful and the waiting rooms clean, tidy and free coffee and danish. Even had courtesy bus to our hotel when we landed."
