OREGON FAQs

I just arrived, where can I legally purchase pot?

Answer Since October 1, 2015 adults 21 and over can purchase pot from marijuana dispensaries in Oregon with a valid government-issued ID. Join the legal cannabis experience, use our map or website www.kushguide.com to find a nearby store.

How much marijuana can I have?

Answer Recreational marijuana users can possess up to eight ounces of useable marijuana and four plants per residence in Oregon. An individual can carry up to one ounce in public each day.

How much Cannabis can I buy?

Answer Anyone 21+ can buy up to 7 grams of dried flower, a 15 mg edible, topicals with less than 6% THC and a prefilled 1 gram receptacle of an extract. Keep in mind that purchase limits are per store, we suggest you do the tourist thing and visit multiple retailers.

Can I consume marijuana in a park?

Answer Public consumption is not legal under Measure 91. This means that consuming in a park, vehicle, or any publicly accessible or publicly visible place is technically against the law. Please be mindful and discrete when consuming Cannabis.

Can I get a DUI?

Answer A DUI can be issued to a driver if any amount of marijuana is found in the driver's blood or urine. Please practice safe driving.
