# Guaranteed WHALE WATCH Tours

The industry's best guarantee.

## Everyday Guarantee

If you do not see a whale (orca, minke, gray, or humpback) with us, you can come again for **FREE**, for life, on any tour until you do.

This is not a gimmick — it is a passion to show our guests whales. Notice there is no fine print and this is not a stand-by pass. Just give us a call, and your next tour is on us. It's that simple.

### MONEY-BACK ORCA GUARANTEE
